

Quality Policy

Central Earthmoving Company Pty Ltd trading as Centrals CEM (Centrals) is a civil construction organisation providing a wide range of services to the residential, industrial, mining, agriculture, government and commercial sectors of industry.

Centrals aim is to achieve customer satisfaction by providing specialised equipment and services that meet or exceed client expectations and regulatory requirements

Our Integrated Management System (IMS) meets the requirements of ISO 9001:2015 and encompasses all aspects of the business, from the initial consultation with clients through to the completion of the project.

Centrals' Management is committed and shall demonstrate leadership in ensuring the full compliance and the continual improvement of the IMS, ensuring the adequate allocation of resources to meet these requirements is provided.

The emphasis of our IMS is on our commitment to meeting our customers' requirements, continuous improvement and the achievement of regularly reviewed objectives and targets.

This policy is integral to Centrals' operations and growth and has the active support of all levels of Management.

The IMS involves participation and compliance by all employees in order to facilitate a culture of exceptional quality and delivery of service.

This policy will be periodically reviewed to confirm its ongoing suitability and compliance to ISO 9001:2015.

Management seeks cooperation from all employees and subcontractors in realising our quality objectives.

Craig Patterson
Managing Director
